

Lots of Luck and Happy New Year

Happy New Year, everyone. Your guess is as good as anybody's as to what 1967 will bring.

This is the season when the pundits of the writing trade--and all the "P" writers are self-appointed pundits or become self-appointed pundits in time--get in their licks.

Between them and the leaders in business, industry, finance and government you will be informed as to what to expect in the coming year. If you are really interested and possess a crystal ball it might be well to tune that in too. It might give different results than those the experts are using but don't worry about that.

You will note from their writings and their spoken words that there is some divergence of opinion even in such exalted ranks.

So why not join the party and make your own predictions, your own forecasts. You don't even have to be much of a gambler because forecasting what will happen in a new year is an even-money bet, as the odds-makers put it.

One of the prime economists may say that it looks light tighter money with no easing of interest rates while another of equal importance sees it loosening up.

The same goes for what Russia is going to do; what Red China has in mind; what German and Great Britain will fare; what DeGaulle may be cooking up. Some of the experts say one thing, some say another.

It is like playing the red and black on a roulette wheel. The colors are evenly divided so there is a 50 per cent chance that the little ball will stop on

red, and 50 per cent that it will stop on black. Black or red you can't be more than half wrong, and that's not bad.

Making predictions is one thing and having persons remember what they were or who made them is something else. A lot of persons forget their own New Year resolutions so how can one expect them to remember someone else's predictions. You are fairly safe whatever you forecast.

We are not making any forecasts for the coming year. All we want to do is wish each and everyone of you the best of everything. We hope the coming year will be no worse than the past one--if it is better than everyone is ahead.

We would like to see I-80 finished and hope that the engineers were right when they said last fall that the road would be carrying traffic next November. Completion of this link--between Hazel Crest and Joliet should open not only this area to great development but thousands of acres of open land in adjoining counties to the west.

We hope our area succeeds in attracting industry -- not only in the coming year but in the coming years. The area could certainly use quite a bit of industry and industry could use the advantages this area provided thru its transportation facilities, highways, proximity to Chicago, and being the hub of a vast market.

Governments, especially the federal establishment, could lighten the burden of the long suffering taxpayers thru the elimination of careless, selfish, and bondogging spending. We do

not predict that Congress will reform its spending ways. That is expecting too much but we would appreciate it if our public taskmasters--we mean those who laughingly refer to themselves as public servants--would switch to scoop shovels in ladling out our taxes for silly and wasteful programs, including aid to Red countries instead of those big steam and electric jobs they apparently have been using.

We would like to see government out down to digestible bits rather than becoming larger and larger. We hope that the band of advanced thinkers planning to take over the school program in Illinois get tripped up and fall flat on their faces before they succeed in stealing the educational system. You can bet one thing and be pretty sure of collecting--if the educational syndicate succeed in museling in, localities no longer will have a voice in the affairs of their own schools. One thing such a take over on state level would accomplish is to make it easier

for the boys at Washington to get the people to accept their control of education.

And speaking of education, we hope that the printing of books, magazines, and papers will be allowed to continue. Remember a few years back the furor that followed the appearance of a book challenging to forward-lookingers in the educational field --"Why Johnny Can't Read."

Such a charge today would not cause even a slight ruffle among the advanced thinkers.

"So what?," would be their rejoinder.

It seems that today reading is being downgraded. People don't learn anything from reading, some educators claim, but get their knowledge from listening and looking. It was not disclosed whether they have monetary interest in TV manufacturing or telecasting.

Well, happy New Year, folks, keep a stiff upper lip, your powder dry and all that sort of thing, and go ahead and do the best you can.

Mrs. Engelhardt Resigns From Mokena Library Bd.

The registration of Mrs. Rudolph C. Engelhardt from the Mokena District Library Board, of which she was chairman, was tendered to the board at its regular meeting Tuesday night (Dec. 27).

Mrs. Engelhardt who has labored long and hard in the move to establish a tax supported public library in the Mokena area told the board that her health will not permit her to continue with the work. She is under the care of a physician.

Formation of a tax supported library is required by

the state if it is to borrow state books and receive other aid.

The library, which had been housed in a building on Front St., when it was operated by the Mokena Book Club as a project of that organization, has moved into the basement of the building formerly occupied by Immanuel Lutheran Church. That is to say the books have been moved but the shelving which was given to the District Library by Daniel Kurber when he moved the Mokena Pharmacy from its former location to its

present one, has not been installed and before the books can be put on the shelves they will have to be divided into various categories and cataloged.

Members of the board, a slate proposed by the Mokena Book Club when the petition to form a district library was filed, were appointed by Circuit Judge Michael Orenic to serve until 1968 when the entire board will have to be elected. The members are: Mrs. Engelhardt, George E. Sangmeister, Mrs. Louis Richards, Joseph Bernardin, Clarence Miller and Walter Welsch.

Mokena Grade Board Sells Bond Issue

Mokena Board of Education sold \$95,000 school building bonds to Phillips-White Co. of Davenport, Iowa. The net interest rate will be 4.308 per cent. The Phillips-White bid called for maturities and interest rates from 1969 to 1978 at 4 1/2 percent and the year 1979 at 4:30 per cent.

One other bidder Columbian Securities Co. of Chicago, submitted a slightly higher bid with a net interest of 4.4847 per cent.

The board had been delaying the sale hoping for a better market. It appears now that the delay was worthwhile for just a month ago, a 5 percent interest was not uncommon. The goal was to at least get an interest rate

of 4 1/2 per cent, so the school board feels that considering the market today, the bid was acceptable.

Back Taxes Paid Out By County Treas.

Taxing bodies in New Lenox Township received \$8,006.76 out of the distribution made by County Treasurer Clarence Lipman of \$120,735 collected from back taxes which were paid after taxes were due.

The sum of \$1,839.49 went to Frankfort Township and Homer Township got \$1,323.58. Green Garden received \$147.38 and Manhattan, \$534.27.

AREA WINNERS of the Christmas Tree coloring contest, sponsored by the Graphic Newspapers are, Steven Kappel, (left) 9-year-old son of Mr. and Mrs. John Kappel, and Steven Gorman, 6-year-old son of Mr. and Mrs. George Gorman, both of Mokena. Both boys are students at St. Mary's School there.

Children between the ages of one and twelve were eligible to enter the contest. A prize of \$5 was presented to each boy.

Name Henry Clark To Council

Henry Clark, 67, of 19547 Union St., has been named as a member of the Mokena Village Board to fill the vacancy caused by the resignation of Gary Chase on Nov. 16, when he was transferred to LaSalle by the Rock Island Lines.

Mr. Clark's appointment to the board came at that body's regular meeting Dec. 21. He will serve out Mr. Chase's term which is to end in May.

Mr. Clark, who has been a resident of Mokena since April 26, 1946, is a native of Paterson, N.J. He was born their April 24, 1899. He is married to the former Edna Broockmann and they have one son, Henry III and one

grandson, Henry IV.

He was formerly employed by Ingersoll Products, 1000 W. 120th St., Chicago, makers of farm equipment, bathtubs, etc., in the capacity of maintenance pipe fitter and pump repair man. He retired May 1, 1964 after 18 years with the firm.

Since his retirement Mr. Clark has worked part time for the Willow Run Golf club.

A veteran of World War I he is a member of the American Legion and is also an advisor for the Rainbow Girls and DeMolay, both character building organizations.

If the new trustee is assigned to the same committees as Chase he will be

Russian Club Party Follows Orthodox Church Calendar

The Russian Club at Carl Sandburg High School will have a Christmas party after school Jan. 6, Reason? Well, Christmas in Russia traditionally falls on Jan. 7 the date differing because of variance in church calendars between the Western and Eastern Christians.

The club seeks to widen understanding of Russian culture and life by students enrolled in the Russian-language classes taught by Gregory Perun. Earlier this year, the club began producing a Russian newspaper, printed with a multilith machine and a typewriter which has character from the Cyrillic alphabet on it, Christine West, a Sandburg senior, was editor of the journal which contained news written by club members.

At the party, a Russian dance, the Karobishka, will be performed by the students, but with a twist. The "surfing sound" of THE BEACH BOYS will accompany the otherwise authentic folk dance. The idea of dancing the Karobishka to modern teen music was suggested by juniors Jan Pichman and Georgeanna Pearson.

Perun's classes took a cultural field trip to Chicago and visited the Ukrainian National Museum, the Ukrainian Catholic cathedral, and Sasha's Russian

Restaurant, Dec. 13.

At the museum, the 24 students saw authentic costumes, money photos, medals, swords, and ceramics indicative of the Ukrainian culture. Several of the students talked to the refugee director of the museum in his native tongue.

Reverend Father William Bilinsky told the group of the cathedral's 60-year tradition in serving the largest Ukrainian congregation in the world outside of the Soviet Union. As Sasha's, the students ate a Russian meal of borscht, best soup with cream, salad with Russian dressing and caviar, chicken Kiev, and pastry.

Students agreed that the experience was a lot of fun along with being educational concerning the Russian language and people.

Making the trip were Nancy Davidson, Anne Hvizd, Wendell Kapustiak, Robert Larsen, Martin Lovgren, Georgeanna Pearson, Janice Pichman, Kathleen Rhude, Jean Richardson, Robert Thomas, Barbara Treadway, Loren Wertzbauer.

Also: Chris West, Jean Aeschliman, Karen Alexander, Alan Danis, Chris DiGanova, Alfred Fial, Robert Fish, Sue Mulcahy, Edward Radzinski, Karen Taylor, Vivian Yang, and Ken Taylor.

Farmers To Learn Of Soybean Production

Will and South Cook area farmers will have an opportunity to learn about dollars in soybean production and marketing at the Jan. 4 and 11 Clinics at Francis 4-H Field says A. A. Wicklein of Will County and William Whiteside of Cook County.

University of Illinois Cooperative Extension Specialists Oschwald, Mulvaney, Moore, Scott, Reynolds and

Farris will be the resource people.

The presentations at these educational meetings will be backed by research conducted on the various experiment fields in Illinois. The meetings will be from 10 a.m. to 3 p.m. at Francis 4-H Field, New Lenox. Lunch will be a Dutch treat.

Soybean and corn growers will be interested in these two educational meetings.

Man Most Predatory Of All The Animals

In the past 2000 years, more than a hundred kinds of birds and more than a hundred kinds of mammals have disappeared from the earth. The last one of each is dead. It also seems likely that, among the less conspicuous lower animals—reptiles, fish, insects, etc.—several times as many species are gone forever; but their passing was not often noticed or mentioned in histories. Of the known total of vanished species, more than a third dropped out during the past 50 years, about another third in the 19th Century, and a little less than a third in the previous 1800 years. With few exceptions these were all wiped out, directly or indirectly, by man.

Not since he lived in caves and played hide and seek with saber-toothed tigers has any predatory animal challenged man for dominance of the earth. He has made short work of them, as well as many others that furnished a handy source of food or clothing, served as ornaments, or offered sport. Further, for each species or sub-species that has disappeared completely within the Christian Era, six times as many others are seriously threatened.

The word, "dodo" is commonly used to signify someone or something very silly or very dead. The Dodo was a large heavy grotesque bird—stupid, flightless and ground nesting—that lived on two islands in the Indian Ocean until 1681 when the last one vanished because of man and the hogs he imported. Another famous example is the Great Auk, a large swimming bird somewhat similar to the penguin—alert and swift in water but helpless and unable to fly or to run on land. Two centuries ago there were millions of them on the rocky shores and islands of northern Europe and North America. The eggs were taken and the birds slaughtered by the sailors for food but the auk's doom was sealed and the last one clubbed to death in 1844, after it was found

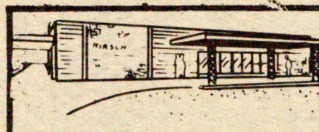

that there was a market for their feathers.

The story of the Passenger Pigeon and how countless millions of them lived in the hardwood forests east of the Great Plains is well known. The last one died in the Cincinnati Zoo in 1914. Less familiar is the fact that the only parrot native to this country, the brilliant-colored little Carolina Parakeet which was common in Illinois in pioneer days, was last seen alive about 1920 in the backwoods of South Carolina and Florida. Word got around that it was "mischievous to orchards". That was enough. The Large Ivory-billed Woodpecker may now be extinct, because it lived only in swampy forests of big

virgin timber which have virtually all been cut for lumber. The Heath Hen, an eastern relative of our prairie chicken, in spite of a century of special protection and pampering, made its last stand on Martha's Vineyard, an island on the Massachusetts coast. The last one, an old bachelor, died—perhaps of boredom—in 1933.

The American Bison or "Buffalo", which once ranged over a third of this continent in herds adding up to over sixty millions, was re-

duced by hunters to a scant thousand animals in the 1890's. Fortunately, its extinction was foreseen in time and, largely through the efforts of the American Bison Society organized in 1905, it was saved and there are now more than 40,000 of these big beasts living under close protection in this country and Canada. But the Eastern Bison, a subspecies that lived entirely east of the Mississippi, had been killed off completely by 1825. The Eastern Wapiti or Elk lingered on until about 1855.

MOKENA GARDEN CLUB Christmas decorations competition, which was confined to the membership of the organization, was won by Mrs. Peter Ridderhoff, who lives north of Connecticut Hills, Frankfort. She received the traveling trophy which is to be retained by the person who wins it three times. The doorway of the Ridderhoff home

(center) is covered by a colored picture of the Madonna. The Springer spaniel and the black and white kitten walked onto the scene apparently when they saw the camera. On the right and left are the two members receiving honorable mention. On the left, where the top cherub has a black eye, is the doorway cover at the Robert Schultz home on S.

Brightway and at the right is the doorway of the Donald Sak home on N. Broughtway, an angel singing "Peace on Earth." The judges were Mrs. Roy Richardson, Mrs. Norval Robinson and Daniel Kurber, Mokena pharmacist. After the judging, the judges and club members were served refreshments at the home of Mrs. Harold Beebe, president of the Garden Club.

Ag. Students At L-W Study Landscaping

During the past six weeks students in agriculture, enrolled in the ornamental horticulture class at Lincoln-Way High School have been studying a unit entitled, "Landscaping Your Home." The purpose of teaching landscaping to vocational agriculture students is to acquaint them with the values of a well-planned landscape design for the home. The unit on landscaping also provides the basic information needed for the students to develop and maintain a landscape plan for their home.

Much pleasure and satisfaction is received from improved landscapes of both rural and urban homes. A

good landscape arrangement makes the home more attractive and a safer place in which to live. People have more leisure time today and many want to use their leisure time to improve the appearance of their home grounds.

In order for the vocational agriculture student to adequately master a landscaping unit, the student must satisfactorily complete the following activities and develop the following abilities:

1. Understand the needs for a properly landscaped home.
2. Understand the basic architectural principles in landscape design.

3. Understand principles in developing a plan for the public, living and service area of the home grounds.

4. Understand the use of common trees and shrubs as to their size, shape, growth habits, hardiness, disease and insect resistance, and where they fit best in the over-all landscape design.

5. Be able to properly plant, fertilize and prune the common trees and ornamental shrubs.

6. Develop a master landscape design for the home grounds that is functional, economical and attractive.

To accomplish the six points listed, the students studying ornamental horticulture at Lincoln-Way High School are using the group and panel discussion method. The groups consist of four to five students which are assigned problems areas such as landscaping the public area, landscaping the living area, landscaping the service area, etc. After the problem areas have been assigned, the students are given time in the classroom to do independent study and research. Reference materials are available in the classroom for the student to use. When the students have completed their study, they present their information to the entire class. They also have access to visual aids equipment to present any of the material they would like. The students do very outstanding work and this method of teaching this unit is very successful.

It is the intended idea that by exposing students to basic principles of landscaping that they will become more aware of landscaping design and possibly be interested in the many career opportunities in this field.

Lincoln-Way Rallies To Beat Vikings, 57-55

Lincoln-Way fans were made very happy indeed last Thursday night when Knights varsity basketball team nosed out the Homewood-Flossmoor Vikings 57-55 in a heart stopper at the L-W gym.

Last season it was the Vikings who spoiled Lincoln-Way's Christmas. In a pre-holiday conference tilt at Homewood in 1965 the Vikings erased a 10 point deficit and came on to win 56-54. This year it was the Knights trailing by nine points with not too many minutes left in the fourth quarter.

In fact the game was won in the last four seconds when Pat McCabe, who had a very good night, dropped in a layup from a beautiful feed by Dave Eden.

With a couple of seconds left the Vikings launched a prayer shot from deep on their side of the center line but it was short and the signal for game's end probably saved many from heart attacks or strokes.

The gym was crowded for the contest which was picked beforehand as the top tilt of the week in the SWS Conference.

This was the first loss for the Vikings who had won seven straight. It was the sixth straight win for the Knights. Their only loss had been to an outside team at the beginning of the season and they stand at the top of the conference standings.

It was an even game at the close of the first quarter, 13-13, and at the half Homewood was on top, 29 to 24 and 44 to 37 at the end of the third period. Then Lincoln-Way began hitting and in the last quarter outscored the Vikings, 20 to 11 to gain the victory, 57-55.

Pat McCabe scored 29 points; Seltzinger, 12; Eden, 10, and Ihde, Stanfill and Mike McCabe, 2 each.

Everybody scored on the Homewood team with Niems high point man. He made 19 points and Cornell was next with 11; Schreiber, 8; Majka,

6; Kroc, 4; Youngblood, 3; and Grabo and Martin, 2 each.

On percentage shooting Lincoln-Way scored .361 and Homewood, 370, on shots from the floor. Their free throw shooting was .520 and .577 respectively.

Sandburg Loses To Porter Five, 73-35

This is truly a bad year for Sandburg High in basketball. But next season--watch out! Meanwhile, Eagle fans are having a bad time of it--like the players, they aren't accustomed to losing.

Sandburg hasn't been able to do anything in the Southwest Suburban Conference and hasn't been faring too well in outside games either.

Last Friday night the Eagles were hosts to Lockport Central with sad results. The Porters, as expected, were the winners by a score of 73 to 35. It was the fourth win for Lockport out of half a dozen contests; it was the sixth straight loss for Sandburg.

Eleven of the 12 Porters used in the game tallied points. Charles Jaeger was the only Eagle to reach double figures. He scored 14 points.

Sandburg took 49 shots from the floor and hit on 14 of them for a shooting percentage of .283. From the free throw line they hit .573. Lockport clicked on 27 out of 55 shots from the floor for .491, and netted 19 of 31 chances from the free throw line for .613.

Well, as they say, you can't mutter against thunder.

Early in the contest the Eagles held leads of 1-0 and 3-1 but a couple of quick

baskets by Meader and Hickman it did not require clairvoyant powers to figure the outcome.

At the end of the first quarter the Porters led 21 to 7 and 42 to 16 at the half. It was 58-23 at the end of the third quarter and finished up 73-35.

Phazek hit for seven points for the Eagles; Snodgrass scored five; J. McBride and Taber had four each and Pettit 1.

L-W Gymnastic Team Clobbers Morgan Park

The gymnastic team from Lincoln-Way High defeated Morgan Park last weekend 84 to 42.

The Knights will take on Thornridge on Jan. 14.

Lincoln-Way gave Morgan Park the old one-two punch, so to speak. Russ Davies and Clyde Samplly won first and second, respectively, in the trampoline contest. Terry Nelson and Norman Poulter finished in the order named in the side horse event.

Frank Goetschel and Dave Stellwagen finished in that order in the horizontal bars and Jeff Jeffers and Dan Torrence were one-two on the parallel bars.

Tickets Go On Sale For League Dance

MRS. EDWARD HOVI
Telephone: 479-5740

The Arbury Hills Boys Baseball League, at their December meeting, voted in the proposed by-laws, after minor wording changes. The bylaws are now to be sent in to state along with the organization charter application and the necessary fee.

After approval by the State, the organization will be incorporated in the state of Illinois as a "not for profit" organization. This status has certain tax advantages, which an unincorporated organization does not have.

On Jan. 15, there will be a canvas of Arbury Hills to enable all residents here to purchase tickets for the annual baseball fund raising dance.

On this Sunday afternoon, all members of the committee will be out with tickets for the dance and information on special award of a

Color Television Set on the night of the dance.

Tickets this year will be \$1.75 per person. The dance will be held at the V.F.W. Hall in Mokena on Wolf Road, two blocks south of the Rock Island Railroad tracks.

A musical group called "The Illusions" will provide the music this year, and for those who become thirsty, there will be refreshments available at the usual prices.

Those who have attended the dances in previous years will attest to the fact that they are enjoyable for all groups. So, line your baby sitters up, and put a fresh shine on your shoes, and come on over on Saturday evening, Feb. 4, at the V.F.W. Hall in Mokena.

At the November meeting of the baseball league, a nominating committee was set up with Fran Crones and Don Rutan heading it up. They are in the process now of setting up a slate of candidates,

which will be presented to the membership at the Jan. 10 meeting at the school. Anyone who feels the urge for the "honor and glory" of public office, please contact either of the above named men.

The First Nighters will have their January meeting at the home of Mrs. Liz Horn on Beechnut Drive next Thursday evening, Jan. 5, beginning at 8:00 P.M.

During the interval of almost a week at the school, when the gymnasium was set up as a theatre for the two children's programs, one for the Parent-Teacher Group of the fifth through eighth grades on Dec. 15, and the second one for the parents of the first through fourth grades, the physical education classes had a classroom situation instead of more strenuous activity.

With both programs now being over, the stage was taken down and removed, as were the chairs. This enabled the basketball team to hold some practice sessions at least prior to resuming their basketball schedule at Arbury Hills last Thursday evening.

The Kindergarten class, new this year as a public function of the school, is progressing rapidly and successfully with some sixty children enrolled the two sessions.

Mrs. Sandy Evans, the kindergarten teacher, is guiding the youngsters through their first experience with classroom procedure. The children are being brought to accept, as necessary, a longer attention span than they previously had been accustomed. They are being led to understand proper classroom behavior, and the use of the blackboard in education.

The "show and tell" portion of the agenda, while long joked about by comedians, does acquaint the child with the necessity of speaking out in a classroom situation.

Mrs. Evans also introduced music to the children with simple songs, which they are capable of learning, accompanied them on an unusual instrument called the autoharp. The autoharp is played on the same order as is a conventional harp, but the instrument is miniature in size and is held on the lap.

The new school office secretary, Mrs. Ray Griffin, is quickly becoming acclimated to the routine of the necessary red tape of a public supported institution.

The general curriculum is smoothing out by this time, with the teachers having a good basis of communica-

HOLIDAY GUEST from Hawaii, Miss Ululani Perez (left) came to Mokena last Saturday with Miss June Swanberg (right) to spend Christmas and New Year's. The two girls are freshmen at Nebraska Wesleyan, University Place, which is generally looked upon as a part of Lincoln, Neb. Miss Swanberg is majoring in music, while Miss Perez is studying hospital administration. When she gets her degree she also will have completed her course in nurses training. June is the daughter of Mr. and Mrs. Charles Swanberg, 19903 Mokena St.

Enrollment Begins For Kindergarten

During the week of Jan. 9, the school will be asking all parents who plan to enroll their children in the public kindergarten next fall to call the school office (479-9361) to give the name and birthdate of the child.

This information is necessary to make early equipment and supply purchases. School equipment orders have been running behind schedule so an early order is deemed necessary to assure delivery by September.

A kindergarten committee has been formed to plan objectives, curriculum, equipment and supply needs. The committee includes Mr. James Ennis, Superintendent, Mr. Coleman Rogers, Principal of Willowcrest School, Mrs. Carmen Windle, second grade teacher at Carpenter St. School, Mrs. Marilyn Sievert, the teacher for the Happy Hour Kindergarten, Mrs. Rita Schilling, 5th grade teacher at Willowcrest School, Mrs. Evelyn Glynn, Reading Supervisor for the Lincoln-Way Area, Mrs. Louis Richards, kindergarten Committee member of the Mokena Womens Club, Mrs. John Weber, chairman of kindergarten committee of the Womens Club, and Robert Schutte, School Board Member.

Mrs. Boneita Marquardt, Director of the Elementary Curriculum Center at Olivet Nazarene College of Bourbonnais, Ill., is serving as consultant for the committee.

Committee plans include observing kindergarten programs in other school

districts.

The Immanuel Lutheran Church will hold a New Year's Eve Service on Saturday, Dec. 31, at 7:30 p.m. The special service will contain the sermon "Through the Year with Jesus." The Rev. Beutelman is the pastor.

The Senior High Sunday School class of the Mokena Methodist Church will be sponsoring a prayer vigil from 12:00 noon on New Year's Eve to 12:00 noon on New Year's Day. Persons may sign up for 15 minute intervals.

Anyone wishing to obtain more information may call Jeff Raske at 479-5636.

St. Mary's Church will have regular masses on New Year's Day. Those being at 7-9-10:15 and 11:30 a. m. Father Cecil Koop OFM.

Miss Marilyn Boleman, daughter of Mrs. Lillian Boleman of 11220 Front St., was guest speaker for the Peoria Christian Business and Professional Women's dinner meeting on Tuesday Dec. 13.

Miss Boleman is supervisor of girl's physical education at Richwoods High School at Peoria. She is a 1956 graduate of Lincoln-Way High School and a 1960 graduate of Western Illinois University at Macomb, Ill.

Constitutions, Like Rome, Not Day's Work

BY MAURICE SCOTT
(Exec. Sec. Taxpayers Federation)

Much discussion is being given these days about a constitutional convention, an assembly of delegates chosen by the people to revise the Constitution or frame a new one, and it appears that this proposition will be before the next session of the Illinois General Assembly, the Taxpayers' Federation of Illinois stated today.

Generally, most states provide for the holding of three elections in connection with the work of a constitutional convention: (1) the vote at which the people authorize the calling of the convention, (2) the popular election of delegates, and (3) the submission of the convention's production for approval or rejection by the people. The present Constitution of Illinois, adopted in 1870, provides for a constitutional convention as follows:

The next General Assembly by a 2/3 vote of each House can provide for the submission

sion of the proposition of calling a constitutional convention to the voters at the general election in 1968. If a majority voting at the election approve calling such a convention, the General Assembly, at its meeting in 1969, would provide for the convention, to consist of double the number of members of the Senate (116), to be elected in the same manner and at the same places and in the same districts. The General Assembly in 1969 would designate the day, hour and place of the convention, fix the pay of the members and officers and also provide for the payment of necessary expenses. The members of the convention shall have the same qualifications as members of the Illinois Senate.

The convention must meet within three months after election of its members and prepare what revisions of the Constitution it deems necessary. Then such revisions or alterations shall be submitted to the voters for their approval or rejection

Area Residents To Celebrate New Year

JAMES PEYTON
Telephone: 532-1516

Once again it is time to usher out the old year and celebrate the birth of a new year with elaborate festivities and good will that should endure throughout the entire year but rarely, if ever, does, 1966 was a good year for most people, however it

has left a lot to be desired for a lot of people also. If peace on earth and good will toward men can be attained the ideal place for it to start is in the individual communities and I will leave you all with this thought in mind as I wish you all a Happy New Year.

I would like to thank the people of Tinley Gardens who have taken the time and applied a little initiative in the decorations of their homes for the holidays. We have quite a few elaborate decorations which took a lot of time and inventive know how to reach their goal. It has been a pleasure to drive through the subdivision to see these decorations that our people are so proud of. Keep up the good work.

Mr. and Mrs. James Hubbard of Lenore Lane were honored this past weekend with the presence of her parents, Mr. and Mrs. Reuben Wichman of Wittenberg, Wisc. for an early celebration of Christmas. Also present was Jim's Mother Mrs. Conrad Hubbard of New Lisbon, Wisc. who has been here since Dec. 2nd to lend a hand when the new addition to the family arrives, however she will leave for New Lisbon the 26th with the other children for the remainder of their school vacation.

The Tinley Gardens Homeowners Assoc. wishes to announce that a flyer will be sent around to inform you of the time, place etc. of the New Years Eve Party. Also the officers and members wish all a Happy New Year.

Four Business Teachers Are At Convention

Four business teachers from Carl Sandburg High School are participating in the annual convention of the North - Central Business Education Association Dec. 28-31 at Chicago's Palmer House.

Mrs. Violet Blinn, Marjorie McGee, Merri Meier, and David Montgomery are the teachers attending. Miss Meier and Miss McGee will assist in hostessing, while Montgomery is on the evaluation committee for the convention.

The theme of the convention is "Partners in Education for Business-Industry, Government and Business Education."

Reach Tentative Accord On Use Of Former Church

An opinion from the Chicago Title and Trust Co. officially puts the village of Mokena in control of the Village Park, a parcel of land between Second and Third Streets and from Union St. to approximately Mokena St.

The land was originally dedicated to Allen Denny, who laid out the original town of Mokena, for religious and public purposes. The opinion of the Chicago Title and Trust Co., obtained by the Mokena Village Board states that the board holds the property in trust for the public. The only exception noted in the opinion was that the Immanuel Lutheran Church had a possible interest thru the building.

The village board has a signed agreement with the Methodist Church which occupies a part of the Village Park that when and if it moves to a new site the building becomes the property of the village.

Months ago the board of the Lutheran Church advertised for bids on a lease of the old church building. The Mokena District Library board submitted a proposal of \$1,500, which was to cover the first year of a 20-year lease, with the rental for the following years to be \$1 for each until at the termination of the lease the library could buy the building for \$1. If the \$1,500 is not paid in the first year, the unpaid balance is to carry an interest charge of 6 per

cent a year, according to the contract.

At a meeting Dec. 14 in the village hall called by Mayor Eric Book, representatives of the village board, the church board and the library board came to an agreement under which the village agreed not to charge the library for rent for five years with the understanding the library would carry out its agreement with the church for paying that body \$1,500 while in turn the church was to give the village a quit claim to any possible interest it might have.

The village board at its meeting Dec. 21 gave its approval to the agreement. It was expected that the Lutherans would give approval to the quit claim at their annual meeting in January.

It has been suggested the village use one floor of the old church as a village hall while the library occupies the other one. The village has retained an architect to inspect the building and give an estimate of how much it would cost to put it in shape so it would be safe for the uses to which it would be put. It was pointed out that the village needs a larger municipal building and the library needs quarters. If the church could be put into proper shape for several thousand dollars both governmental agencies would have a bargain and so would the taxpayers.

Loughran Trails In "Discovery" Count

A recount of the vote for state representative in the district made up of Will County, in certain precincts selected by Francis J. Loughran, Democratic state representative beaten for re-election, in what is known as a discovery action, show that W. Robert Blair, Republican representative has gained.

There are still five of these precincts to count, all in Joliet Township. It was expected they would be completed yesterday (Wednesday) by the county canvassing board under the direction of County Clerk Clara Hartley Woodard.

In the 49th Joliet precinct Blair lost 41 votes but his net gain was 71 1/2. This number added to the 110 edge he had over Loughran in the official canvass gave him a lead of 181 1/2 with five precincts to go.

Should Loughran contest the election it would be the house of representatives that would decide the case since he is a member of that body, as is Blair.

Providence High Booster Club Plans Free Toss Tourney

The Providence High School Booster Club will sponsor a free throw tournament for all youngsters in the 5th, 6th and 7th grades, on Jan. 14, in the Providence High School gym.

The tournament will be open to all boys in the public and parochial schools. The winners in each grade will receive trophies. Entry blanks are available at the school thru CYO coaches and at Bob Mussers. All boys must be registered by Jan. 10 in order to participate. Gym suits will be required.

The 5th grade youngsters will start the tournament at 10 a.m. followed by the 6th graders at noon and the 7th graders shooting at 2 p.m. If a boy is unable to get an entry blank, he may submit his name, address, grade and school attending along with his parent's signature on a slip of paper and mail it to Booster Club, Providence High School, New Lenox, Ill.

Students Learn How To Best Use Time

Another step away from "lockstep scheduling" will be taken at Amos Alonzo Stagg High School Jan. 3, when one period a week will be set aside for 45 high honors students to pursue knowledge in their own area of special interest.

The experimental program is an extension of the present module system of scheduling, Raymond Bentz, Stagg's principal said. In the module system, students are free for 20 minutes following a non-laboratory-type course to study, and some are permitted to leave the classroom and avail themselves of a variety of

special services and activities.

"We feel that these students can definitely handle free time and will put it to good use," Bentz said. In a nine-week grading period, the student will miss only three classes while he may gain a great deal from his independent work in the library, in science laboratories, or in special projects such as yearbook, newspaper, speech, art, and guidance, Bentz suggested.

The experimental program will involve about 15 top students from the freshman, sophomore, and junior classes at Stagg.

Tells Sandburg Boys How Draft Law Works

Army Col. Philip Duckworth laid down the law to Carl Sandburg junior and senior boys at an assembly last Thursday. Actually, Duckworth gave a very thorough explanation of the Selective Service Act of 1948, "a law," he said, "that will effect everyone here."

The law requires three obligations of every young man, Duckworth said. First, he must register for the draft no later than five days after his 18th birthday. Second, he must keep his draft board notified of his current status and of ANY CHANGES: such as address, marriage, children, schooling, and job. Twenty full-time FBI agents are working in Chicago tracking down draftees who do not supply their current addresses, Duckworth told the students. The third obligation is to report when ordered.

He explained the deferment numbering system. The boy's first draft card will probably be a 1-SH, for those taking a full course in high school and making satisfactory progress. This card is good until the student graduates or reaches age 20.

College students can be deferred if they pass a free selective service test with a score of 70. Their rank in class also is a factor in the local board's decision on deferments.

Sandburg guidance director James Adcock introduced Duckworth, who is from Springfield.

COOK COUNTY ASSISTANT
FARM ADVISER IN ORNAMENTAL HORTICULTURE
AND FLORICULTURE

This season some of the best received gifts were those of blooming flowers. Poinsettias, cyclamen, chrysanthemums, Christmas cherry, and azaleas headed the list.

Proper care for these plants is easy if you understand the different needs of each. They are not all treated alike. Poinsettias, for example, are plants of the tropics and do not like to be chilled. This means they should be kept off drafty floors and away from the door where icy blasts accompany each entering holiday guest. Should a plant receive such a chill, it responds by dropping its leaves. Occasionally, the chill may be overcome by watering with very warm water. In addition to a warm place, keep poinsettias where they will receive plenty of light but not direct sun. Properly cared for, some of the new Mikkleson type poinsettias may retain their foliage until Valentines day.

If the poinsettia demands a warm place, the cyclamen likes it equally cool. The flowers which resemble magenta, pink, or white flames above semi-heart shaped leaves can quickly wilt in a warm place. If such is the case, revive it by placing in a cool but not freezing place such as an attached garage, sun porch, or breezeway. You may not wish to display their beauty in such locations but they can be revived there if the flowers start to wilt prematurely.

The flowers of the cyclamen can also serve double duty as corsages for holiday festivities. However, the method of picking is unusual. Twist the flower and its entire stem until the stem detaches itself cleanly from the crown. Then if you wish to place it in water, cut off the bottom quarter inch. This is essential because the water conducting vessels of the stem are constricted as they enter the crown. Cutting off this constricted area allows for an unobstructed flow of water to the flower. And when watering the cyclamen, avoid getting the crown wet. Water the soil at the edges of the pot.

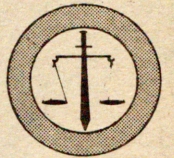

If poinsettias and cyclamen are unique in their handling, chrysanthemums are quite commonplace. Merely keep your pot of mums well watered, in a light location and snip off spent blooms. So treated, your plant should last two to four weeks. It's not likely, however, that plants obtained at this time of year are a variety that will bloom in the garden. They are developed for their ability to bloom in winter.

Like the cyclamen, the Christmas cherry likes the temperature as cool as possible. Given such a cool temperature and uniformly moist soil, it will last for some time. Should the soil dry out or should there be traces of gas in the air, the leaves and fruit will drop. Christmas peppers should be watered more sparingly than the Christmas cherry.

The azalea is another flower that responds best in

a cool 65 degree location. Cooler night temperatures are especially helpful in prolonging their bloom life. Never let the soil dry. Even an occasional syringing of foliage with tepid water is beneficial.

If you've received one of these plants as a gift during the holiday, you'll extend your enjoyment of the plant and flatter the donor at the same time by using the above guides.

A Public Service of the
ILLINOIS STATE BAR ASSOCIATION

Personal bankruptcy cases will soar to new heights if the extension of credit to an ever-widening circle of users is not accompanied by an awareness of the pitfalls as well as the advantages of credit buying, the Illinois State Bar Association said today.

New credit plans, by combining the features of a traveler's check, checking account, check guarantee, check loan and credit card provide careful and responsible users with a highly useful tool, the ISBA observed, but, it added, "credit can be very damaging if it is not kept under control."

Mismanagement of one's personal finances, court records show, is more frequently the cause of bankruptcies than is sudden misfortune. In one Illinois county, where bankruptcies average one a day, most of the filings are by people who were the victims of their own poor handling of their fiscal affairs and of slack credit safeguards by lenders, the ISBA stated.

State bar group publishes a pamphlet, entitled "Buying On Time," in which it offers these tips for keeping credit obligations within bounds:

Watch the total cost. Goods purchased on credit cost more. Take a look at all interest charges and other carrying charges or service charges before you decide to make the purchase.

Shop for the best terms. Interest charges vary. You may save money if you borrow from your bank or credit union and pay cash to the retail establishment.

Know what you are signing.

A "receipt" may be a contract with unexpected terms. A "contract" may be a negotiable promissory note. "Co-signing" a note may obligate you to pay for it. If you have any doubt about the effect of a document, consult your lawyer.

Read the fine print of anything you sign. Be sure names, dates and conditions are correct. Be sure everything is in writing in language clearly stating what you want. Inquire about conditions and items of importance to you.

8-Card Of Thanks

CARD OF THANKS
I wish to thank the Lemont Volunteer Fire Department for their quick service in our time of need. Also, Father Fitzgerald for his kind words, and to all the people who sent flowers and cards while I was a patient in Silver Cross Hospital.
Mr. Vincent Jungles

General Taxes for the
year 1965, and for Order
of Sale Thereof, and No-
tice of Sale Thereof, and
application for judgment
fixing the correct amount
of any tax paid under pro-
test, as provided by law.

sale only under former unexecuted
judgments and orders for sale as may
be noted in this advertisement).

Notice is also given that an applica-
tion will be made for judgment
fixing the correct amount of any
tax paid under protest.

Notice is further herein and here-
by given that on the second Monday
next succeeding the 9th day of Jan.,
A.D., 1967, to-wit, the 23rd day
of Jan., A.D., 1967, at the hour of
8 o'clock A.M. all said lands and lots
hereinafter described for sale of which
an order shall be made, or has been
made and not executed as noted, will
be exposed to public sale at the County
Building of Cook County where the
seat of County government is located in
said County, for the amount of taxes, in-
terest and costs due thereon respectively.

The following is a list of delinquent
lands and lots upon which the taxes
remain due and unpaid, the name of
the owners, where known, the total
amount due thereon (excluding delin-
quent special assessments separately ad-
vertised) and the year or years for
which the same is due.

(The total amount due in this ap-
plication on each tract or parcel of
land or lots is the sum of the amounts
appearing due in this advertisement.)
EXPLANATORY NOTE - In this
list in all places where no other nota-
tion is made the figures in the column
headed "S" (meaning dollars) and the
"cts" (meaning cents) represent the
taxes due and unpaid for the year
A.D. 1965. Where the letter "P" is
placed to the left of the figures in this
column it is intended for an abbrevia-
tion of the word "forfeiture," and
denotes that the amounts set down to the
right of the same are the amounts due
and unpaid on said lands and lots for
which said lands and lots have been
previously forfeited to the State. When
back taxes are extended they are indi-
cated by the letters "B. T."

Payment of taxes made after print-
er's copies are sent to publishers for
listing, and appearing as delinquent in
this advertisement, will be satisfied in
judgment records before sale.

In lieu of legal description used
heretofore each parcel of land or lot
is designated by a permanent real es-
tate index number.

In the permanent real estate index
number system the area is designated
by the number appearing in the column
headed "A." the sub-area by the num-
ber in the column headed "SA," the
block by the number appearing in the
column headed "Blk.," and the particu-
lar parcel by the number in the column
headed "Pcl."

Comparison of the permanent real
estate index number with the legal
description of any parcel may be made
by referring to the cross indices main-
tained in various County offices.

COOK COUNTY

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS.

December 30, 1966

Advertisement and Notice of Collector of Cook County of Application for Judgment for Sale of All Lands and Lots upon which All or a Part of the General Taxes for 10 or More Years are Delinquent, and Notice of Sale Thereof.

NOTICE IS hereby given that the said Collector of Cook County will, pursuant to the provisions of Section 235a of the Illinois Revenue Act of 1939, as amended, apply to the County Division of the Circuit Court of Cook County on the 9th day of January, A. D., 1967, for judgment against lands and lots hereinafter described, being parcels upon which general real estate taxes for 10 or more years remain due and unpaid, and for an order to sell said lands and lots for the satisfaction thereof according to law.

Notice is further herein and hereby given that on the 21st Monday next succeeding the 9th day of January, A.D., 1967, to wit, the 5th day of June, 1967, at the hour of 9 o'clock A.M. all said lands and lots hereinafter described, for sale of which an order shall have been made, will be exposed to public sale at the County Building of Cook County where the seat of County government is located in said County, 118 North Clark Street, Chicago, Illinois, to the highest bidder for cash.

The following is a list of delinquent lands and lots upon which the general real estate taxes remain due and unpaid for 10 or more years, the names of the owners where known, the total principal amount due thereon, and the years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the total principal amount due, as hereinafter set forth, plus the statutory penalties, interest and costs which may be computed for each year for which said parcel is delinquent.)

EXPLANATORY NOTE—In this list in all places where no other notation is made the figures in the column headed "\$" (meaning dollars) and the "cts" (meaning cents) represents the total principal amount of the general real estate taxes due and unpaid for all years for which that parcel is delinquent, whether or not that parcel was forfeited for any or all of such delinquent years.

Payment of taxes made after printer's copies are sent to publishers for listing are not reflected in this list, but such payments will be posted before judgment is entered on the application advertised herein.

In lieu of legal description, each parcel of land or lot is designated by a permanent real estate index number.

In the permanent real estate index number system the area is designated by the number appearing in the column headed "A," the sub-area by the number in the column headed "SA," the block by the number appearing in the column headed "Blk," and the particular parcel by the number in the column headed "Pcl."

Comparison of the permanent real estate index number with the legal description of any parcel may be made by referring to the cross indices maintained in various County offices.
